PROFILE

School Year

2006-2007

Location

Lake Elsinore, CA

Grade Levels

Sixth—Eighth Grade

Number of Students

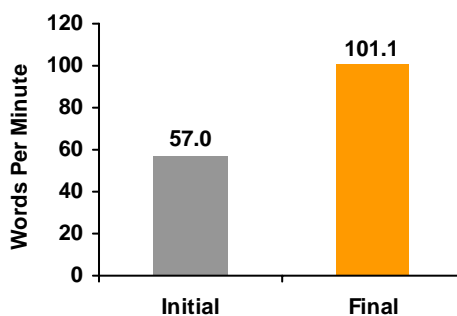

122

Assessment Tool

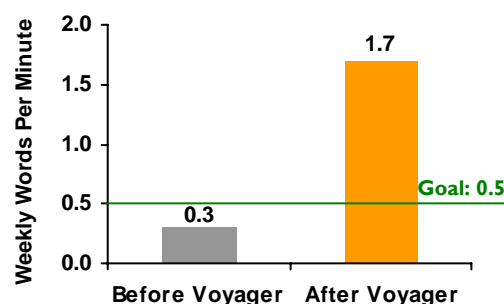

Reading Connected Text (RCT)

Lake Elsinore Unified School District chose *Voyager Passport* as the intervention program for middle school students considerably below grade level. The district aggressively implemented the program twice a day for 50 minutes, five days a week to see powerful growth as measured by Reading Connected Text.

Sixth-Grade Fluency Growth

Weekly Words per Minute Gain

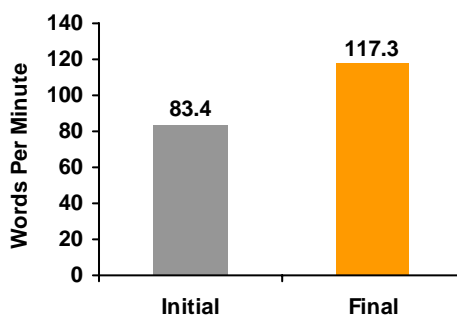

KEY FINDINGS

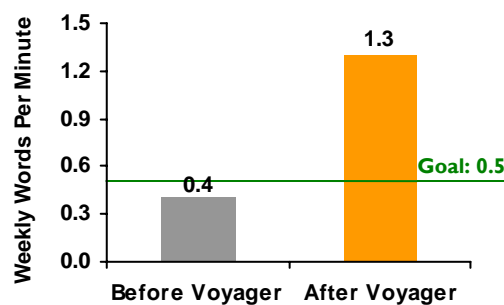

Lake Elsinore students in *Voyager Passport* significantly increased their fluency—words read per minute per week:

- Sixth-graders accelerated their weekly rate of fluency gain nearly six times
- Seventh-graders more than tripled their weekly rate of fluency gain
- Eighth-graders more than quadrupled their weekly rate of fluency gain

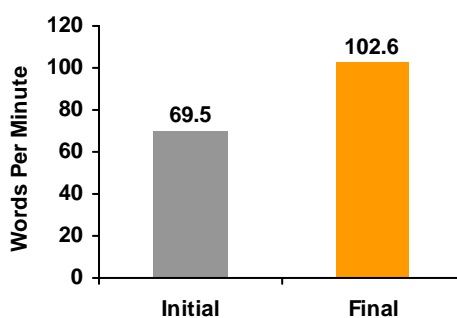

Seventh-Grade Fluency Growth

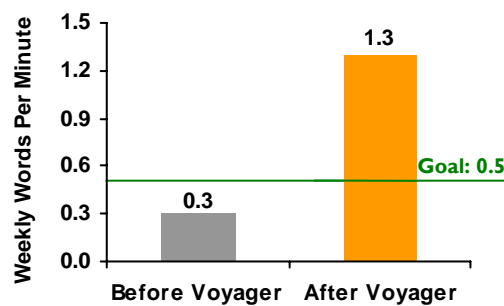

Weekly Words per Minute Gain

Eighth-Grade Fluency Growth
